

COME UP WITH A CAPTION! (NO 'YEAH, BUT, NO, BUTS' ABOUT IT!)

WRITE Do Something Funny For Money

Use this poster to raise some cash for Comic Relief and you might even win a few quid too!

Get colleagues, family or friends to pay £2 to write a funny caption. Once everyone's written their captions, ask an independent judge (it could be your boss!), or panel of judges, to decide which caption is the funniest. Their decision is final!

The lucky winner gets half the cash and the other half goes to Comic Relief to help change lives. Can't say fairer than that. Good luck!

Do Something Funny For Money

Use this poster to raise some cash for Comic Relief and you might even win a few quid too!

Just stick a comical photo in the frame – it could be from an office night out, a baby photo or full of funny facial expressions – and get colleagues, family or friends to pay £2 to write a caption beside it.

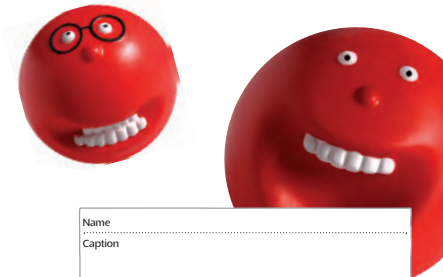

Once everyone's written their caption, ask an independent judge (it could be your boss), or panel of judges, to decide which caption is the funniest. Their decision is final!

The lucky winner gets half the cash and the other half goes to Comic Relief to help change lives. Can't say fairer than that. Good luck!
