The difference your donation makes.

The money you raise

40% helps support projects in the UK

60% helps support projects across Africa

Helping to make a real difference to people living incredibly tough lives, in the UK and across Africa...

Alice 80, Stockport

“EDUCATE Stockport completely changed my outlook on dementia. I realised what seemed like the end of my life was actually just a new beginning.”

David 9, Sierra Leone

“I picked on the dump every day. I had never been to school before, but STREET CHILD helped me with a bag, shoes, books and pencils.”

£10

could enable an isolated person with dementia to attend a weekly support group here in the UK.

£150

could provide a family, living and working on a rubbish dump in Sierra Leone, with a business startup grant and a year's accommodation.
